CNA Construction

*Wednesday, November 10, 9 a.m.–noon*

## You understand what it takes to build something that will last for years.

**We understand what it takes to protect everything your business builds.**

A leading choice among contractors, CNA has helped manage the unique risks of construction professionals for over 60 years. With industry knowledge and financial strength, we create flexible and comprehensive programs and coverages. Our partnerships with trade associations and construction experts ensure we stay abreast of industry trends to better meet your business needs.

For most sectors of the Commercial Construction industry, we offer standard business coverages including Property, Liability, Auto and Workers' Compensation, as well as specialized coverages for Limited Pollution Liability, Broadened Liability for Damage to "Your Product" and "Your Work," Contractor's Equipment, and more. We provide the right coverage options so construction professionals can concentrate on building a stronger business.

**Jeffrey A Segall**  
**Vice President**  
**CNA Construction**

Mr. Segall is presenting Workshop L, "Filling the Gaps in Contractors' Insurance Coverages," on Wednesday morning. He is part of the construction team at CNA. As vice president of Field Operations, he supports the execution of CNA's construction strategy to help establish CNA as a premier writer of middle and large construction accounts. He works directly with the regional construction assistant vice presidents to help drive consistency in execution, support trading partnerships with special construction agents, and support implementation of local market strategies that address variances in jurisdiction and market opportunities.

Prior to joining CNA, Mr. Segall was a senior vice president in the Construction Risk Management Group of Willis. In that role, he provided marketing and account servicing assistance to Willis offices and key clients. His prior experience includes various positions at AIG, St. Paul, and a number of agencies now affiliated with Aon and Acordia. He began his insurance career in 1972.

Mr. Segall holds a bachelor's degree in business administration from the University of Texas in El Paso. His professional insurance designations include Associates in both Underwriting and Risk Management, Certified Insurance Counselor, Chartered Property Casualty Underwriter, and Certified Risk Manager. He is recipient of the Continuing Professional Development program award.
